

HEAD START

# SEPTEMBER

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
	1 Review home safety rules. What are some you want to make sure your child knows?	2 Sorting is a great activity; allow your child to sort the colors of clothes while you prepare laundry.	3 Engage in conversation with your child by asking How can we protect our clothes. What happens when clothes get dirty.	4 With sidewalk chalk, draw a giant mural on the driveway or sidewalk.
7 While taking a walk, have your child to point out all the circles that they see.	8 Using a paper bag, crayons, paint or other art materials and make a hand puppet together.	9 Have your child read a book, ask questions about the story. For older children ask them to summarize the story and tell who their favorite character is.	10 Review home safety rules. What are some you want to make sure your child knows?	11 Play a Memory card game together. Ask your child to name to the colors and items; look for these types of items around the home.
14 Ask your child to name all the red and yellow objects they see at home or around town.	15 Have your child read a book and summarize the story orally.	16 Identify different members of the family using family photo. Create family photos using art materials such as crayons and paint.	17 Paint a picture with your child. Help them to mix the colors when painting. Talk about the picture they created and ask them questions about their awesome creation.	18 Review home safety rules. What are some you want to make sure your child knows?
21 After reading a book, discuss the similarities and differences between characters.	22 Read a book aloud to your child. Ask them to scribble or draw their favorite character from the book you read.	23 Play a game of "Can you Find It" at home. Hide a variety of items-yellow, red, items that are circle around the home. For example, can you find the red shirt??	24 Using various items position them in, out and around a cup. Discuss the positions with your child. Talk about the color, size and shape of the items used.	25 Ask your child to choose a book and read the book aloud to them. Ask questions during the story. Have your child to point out the colors yellow and red during the story.
28 Ask your child to choose a book and read the book aloud to them. Ask questions during the story. Have your child to point out the colors yellow and red during the story.	29 "Sing Mary had a Little Lamb" and play a game of "Simon Says" with your child. Add in simple instructions and some difficult instructions as you play.	30 Make a game of daily chores such as sweeping, doing laundry or putting away toys. Add in songs or gestures as you finish chores.
